LEGISLATIVE JOINT AUDITING COMMITTEE ARKANSAS LEGISLATIVE AUDIT

Independent Auditor's Report

Fulton County, Arkansas Officials and Quorum Court Members
Legislative Joint Auditing Committee

Report on the Audit of the Financial Statements

Opinions

We have audited the regulatory basis financial statements of Fulton County, Arkansas (County), which are comprised of the Balance Sheet – Regulatory Basis for the general fund, road fund, and other funds in the aggregate as of December 31, 2023; the related Statement of Revenues, Expenditures, and Changes in Fund Balances – Regulatory Basis; and Statement of Revenues, Expenditures, and Changes in Fund Balances – Budget and Actual – General and Road Funds – Regulatory Basis for the year then ended, and the related notes to the financial statements.

Unmodified Opinions on Regulatory Basis of Accounting

In our opinion, the accompanying regulatory basis financial statements referred to above present fairly, in all material respects, the regulatory basis financial position of the general fund, road fund, and other funds in the aggregate of Fulton County, Arkansas, as of December 31, 2023; the regulatory basis revenues, expenditures, and changes in fund balance; and the budgetary comparisons for the general fund and road fund for the year then ended, in accordance with the financial reporting provisions of Ark. Code Ann. § 10-4-412 described in Note 1.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles section of our report, the accompanying regulatory basis financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the general fund, road fund, and other funds in the aggregate of Fulton County, Arkansas, as of December 31, 2023, or the revenues, expenditures, and changes in fund balance and, where applicable, cash flows thereof for the year then ended.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the County, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1 of the financial statements, the financial statements are prepared by the County on the basis of the financial reporting provisions of Ark. Code Ann. § 10-4-412, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements permitted by the State of Arkansas.

The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material and pervasive.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the financial reporting provisions of Ark. Code Ann. § 10-4-412, as described in Note 1, to meet the requirements permitted by the State of Arkansas; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the County's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risk of material misstatements of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the County's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the regulatory basis financial statements as a whole. The accompanying supplementary information listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the regulatory basis financial statements. The information has been subjected to the auditing procedures applied in the audit of the regulatory basis financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the regulatory basis financial statements or to the regulatory basis financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the accompanying supplementary information listed in the table of contents is fairly stated in all material respects, in relation to the regulatory basis financial statements as a whole on the basis of accounting described in Note 1.

Other Information

Management is responsible for the other information included in the report. The other information is comprised of the schedules listed in the table of contents but does not include the regulatory basis financial statements, supplemental information, and our auditor's reports thereon. Our opinions on the regulatory basis financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the regulatory basis financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated September 10, 2024, on our consideration of the County's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of the testing, and not to provide an opinion on the effectiveness of the County's internal control over financial reporting or on compliance. The report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control over financial reporting and compliance.

LEGISLATIVE JOINT AUDITING COMMITTEE ARKANSAS LEGISLATIVE AUDIT

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Independent Auditor's Report

Fulton County, Arkansas Officials and Quorum Court Members
Legislative Joint Auditing Committee

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the regulatory basis financial statements of the general fund, road fund, and other funds in the aggregate of Fulton County, Arkansas (County), as of and for the year ended December 31, 2023, and the related notes to the financial statements, which collectively comprise the County's regulatory basis financial statements, and have issued our report thereon dated September 10, 2024. We issued an adverse opinion because the financial statements are prepared by the County on the basis of the financial reporting provisions of Ark. Code Ann. § 10-4-412, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material. However, with respect to the regulatory basis of accounting described in Note 1, our opinions on the general fund, road fund, and other funds in the aggregate were unmodified.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the County's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulation, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We also reported to management of the County in a separate letter dated September 10, 2024.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose. However, pursuant to Ark. Code Ann. § 10-4-417, all reports presented to the Legislative Joint Auditing Committee are matters of public record, and distribution is not limited.

LEGISLATIVE JOINT AUDITING COMMITTEE ARKANSAS LEGISLATIVE AUDIT

MANAGEMENT LETTER

Fulton County, Arkansas Officials and Quorum Court Members
Legislative Joint Auditing Committee

The commentary contained in this letter relates to the following officials who held office during 2023:

County Judge: Kenneth Crow
Treasurer: Barry Abney
Sheriff: Jake Smith
Tax Collector: Michalle Watkins
County & Circuit Clerk: Vickie Bishop
Assessor: Cari Long
County Librarian: Racheal Foster
District Court Clerk: Brandon Holder

We would like to communicate the following items that came to our attention during this audit. The purpose of such comments is to provide constructive feedback and guidance, in an effort to assist management in maintaining a satisfactory level of compliance with the state constitution, laws and regulations, and to improve internal control. These matters were discussed previously with County officials during the course of our audit fieldwork and at the exit conference.

County Judge and County/Circuit Clerk

The County paid \$9,100 from May 2023 through June 2024 to an employee for cleaning services without an authorizing ordinance, as required by Ark. Code Ann. § 14-14-1202.

County Judge

Bid documentation was not maintained for four equipment purchases totaling \$847,662, in non-compliance with Ark. Code Ann. §§ 14-22-101 – 14-22-115.

This letter is intended solely for the information and use of the Legislative Joint Auditing Committee, the Quorum Court and County management, and other parties as required by Arkansas Code and is not intended to be and should not be used by anyone other than these specified parties. However, pursuant to Ark. Code Ann. § 10-4-417, all reports presented to the Legislative Joint Auditing Committee are matters of public record, and distribution is not limited.

FULTON COUNTY, ARKANSAS
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

NOTE 1: Summary of Significant Accounting Policies

A. Financial Reporting Entity

The County is a political subdivision of the state governed by an elected quorum court. The reporting entity includes all the funds of the County.

B. Basis of Presentation - Regulatory

The financial statements are presented in accordance with the regulatory basis of presentation as prescribed or permitted by Ark. Code Ann. § 10-4-412. The law requires that the financial statements be presented on a fund basis with, as a minimum, the general fund and road fund presented separately with all other funds included in the financial statements presented in the aggregate. This law also stipulates that the financial statements consist of a balance sheet; a statement of revenues, expenditures, and changes in fund balances; a comparison of the final adopted budget to actual expenditures for the general and road funds; notes to financial statements; and a supplemental schedule of capital assets.

The regulatory basis of presentation is not in accordance with generally accepted accounting principles (GAAP). GAAP require that basic financial statements present government-wide and fund financial statements. Additionally, GAAP require the following major concepts: Management's Discussion and Analysis, separate financial statements for fiduciary fund types and other requirements for fiduciary fund types, specific procedures for the identification of major governmental funds, and applicable note disclosures. The regulatory basis of presentation does not require government-wide financial statements or the previously identified concepts.

A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with related liabilities and residual balances, and changes therein, which are segregated for purposes of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

The following types of funds are recognized in the accompanying regulatory basis financial statements.

General Fund - The General Fund is used to account for and report all financial resources not accounted for and reported in another fund.

Road Fund - The Road Fund (Special Revenue Fund) is used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The Road Fund accounts for, and reports proceeds of state highway turnback, property taxes, and sales taxes that are restricted or assigned for maintaining and constructing roads.

Other Funds in the Aggregate - Other Funds in the Aggregate consist of all funds included in the financial statements except for the General and Road Funds. The following types of funds are included in this column as follows:

Special Revenue Funds - Special Revenue Funds are used to account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. See Schedules 1 and 2 for Special Revenue Funds as reported with other funds in the aggregate.

Capital Projects Funds - Capital Projects Funds are used to account for and report financial resources that are restricted, committed, or assigned to expenditure for capital outlay, including the acquisition or construction of capital facilities and other capital assets. See Schedules 1 and 2 for Capital Projects Funds as reported with other funds in the aggregate.

Debt Service Funds - Debt Service Funds are used to account for and report financial resources that are restricted, committed, or assigned to expenditure for principal and interest. See Schedules 1 and 2 for Debt Service Funds as reported with other funds in the aggregate.

Custodial Funds - Custodial Funds are used to report resources held by the reporting government in a purely custodial capacity (assets equal liabilities). See Schedule 1 for Custodial Funds as reported with other funds in the aggregate.

C. Basis of Accounting - Regulatory

The financial statements are prepared on the regulatory basis of accounting as prescribed or permitted by Ark. Code Ann. § 10-4-412. This regulatory basis differs from accounting principles generally accepted in the United States of America. Revenues generally are recognized as soon as they are both measurable and available except for Treasurer's and Collector's commission and Taxes apportioned – Assessor's salary and expense which are recognized when earned. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current period. However, most state aid received from the State Treasury, as well as county sales taxes, is by state law revenue of the year in which it was received by the government. Expenditures generally are recorded when a liability is incurred. Liabilities incurred by the government on or before the end of the current period that are paid within 60 days of the end of the current period, are considered to be expenditures of the current period. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due. As a result of the use of this regulatory basis of accounting, capital assets and long-term debt are not recorded in these financial statements. Pension trust funds are reported in a separate column as part of supplementary information in order to provide users of the financial statements a better understanding of the entity as a whole.

The regulatory basis of accounting is not in accordance with generally accepted accounting principles (GAAP). GAAP require the following major concepts: Accrual basis of accounting for government-wide financial statements, including depreciation expense, modified accrual basis of accounting for fund financial statements, separate identification of special and extraordinary items, inclusion of capital assets and debt in the financial statements, inclusion of the net pension liability in the financial statements, and applicable note disclosures. The regulatory basis of accounting does not require the previously identified concepts.

D. Assets, Liabilities, and Fund Balances

Cash and Cash Equivalents

For the purpose of financial reporting, "cash and cash equivalents" includes all demand, savings, money market accounts, and certificates of deposit.

Settlements Pending

Settlements pending are considered fines, forfeitures, costs, officer's fees, commissions, property taxes, and trust accounts that have not been transferred to the appropriate entities.

Fund Balance Classifications

1. Restricted fund balance – amounts that are restricted when constraints placed on the use of resources are either (a) externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or (b) imposed by law through constitutional provisions or enabling legislation.
2. Committed fund balance – amounts that can only be used for specific purposes pursuant to constraints imposed by formal action of the Quorum Court.

NOTE 1: Summary of Significant Accounting Policies (Continued)

D. Assets, Liabilities, and Fund Balances (Continued)

Fund Balance Classifications (Continued)

3. Assigned fund balance – amounts that are constrained by the Quorum Court's intent to be used for specific purposes but are neither restricted nor committed.
4. Unassigned fund balance – amounts that have not been assigned to other funds and that have not been restricted, committed, or assigned to specific purposes within the general fund. This classification may also include negative amounts in other governmental funds, if expenditures incurred for specific purposes exceeded the amounts restricted, committed, or assigned to those purposes.

E. Property Taxes

A lien attaches to the real property in January and on personal property in June of each year. Property taxes are collectible beginning the first business day of March of the subsequent year but are not considered delinquent until after October 15.

F. Budget Law

1. Legal Requirements

State law requires that the Quorum Court, before the end of each fiscal year, make appropriations, by ordinance, for the expenditures of County government for the following year. The Quorum Court may make appropriation amendments at any time during the current fiscal year. Appropriations lapse at the end of each year. Under certain conditions, the budget may be amended subsequent to the year-end.

2. Accounting

The County prepared an annual budget on the regulatory basis for the General Fund, Road Fund, and the other operating funds.

G. Fund Balance Classification Policies and Procedures

The County's highest level of decision-making authority is its Quorum Court. The establishment of amounts classified as committed fund balances and any subsequent modifications to such balances are the result of formal action taken by the Quorum Court through passage of an ordinance. The Quorum Court is authorized to assign amounts to a specific purpose, although a formal policy has not been established.

The County does not have a policy addressing whether it considers restricted or unrestricted amounts to have been spent when an expenditure is incurred for purposes for which both restricted and unrestricted amounts are available. For classification of fund balance amounts, restricted resources are considered spent before unrestricted. The County does not have a policy addressing which resources to use within the unrestricted fund balance when committed, assigned, or unassigned fund balances are available. When expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used, committed amounts are reduced first, followed by assigned amounts, and then unassigned amounts.

NOTE 11: Jointly Governed Organizations

White River Regional Solid Waste Management District

The County is a member of the White River Regional Solid Waste Management District. This District is a jointly governed organization comprised of Cleburne, Fulton, Independence, Izard, Jackson, Sharp, Stone, Van Buren, White, and Woodruff Counties and participating cities within the aforementioned counties. Representatives are the respective county judges and mayors unless some other representative is appointed by the participating entity. Fulton County did not make any payments to the White River Regional Solid Waste Management District in 2023.

White River Regional Library

Independence, Stone, Sharp, Cleburne, Izard, and Fulton Counties entered into an agreement in May 1978 in accordance with Ark. Code Ann. § 13-2-401 to establish the White River Regional Library. Initially, the parties agreed to the formation of a regional library for a period of two years. The Board's existence was continued from year to year thereafter unless a participating member gave notice of cancellation at least 60 days prior to the end of the fiscal year. Independence County cancelled its membership on April 10, 2016. The White River Regional Library Board is comprised of one board member from each of the participating counties. The County Library did not pay any regional library expenditures in 2023. Contact the White River Regional Library at P. O. Box 1107, Mountain View, AR 72560, to obtain financial statements.

NOTE 12: Risk Management

The County is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. These risks are covered by commercial insurance purchased from independent third parties and participation in a public entity risk pool. The amount of settlements, if any, has not exceeded the insurance coverage for each of the past three years. There were no significant reductions in insurance coverage in the major categories of risk from coverage in the prior year.

The County participates in the Association of Arkansas Counties Program (public entity risk pools) for coverage in the following areas:

Workers' Compensation - This program provides statutory benefits for losses incurred by County officials, employees, and volunteer fire fighters while performing work for the County. Rates for counties participating in this program are revised annually based on the cost experience of the particular county or group as determined by the Workers' Compensation Commission.

Property Program – This program is a blanket policy with coverage up to \$1,100,000,000 for any one loss with a \$1,000 deductible. The County shall pay into the program each year a charge established by the Risk Management Fund Board for covered county property.

Vehicle Program

A. Liability - This program may pay all sums the County legally must pay as damages because of bodily injury, death, or property damage to which this agreement applies involving a covered county vehicle and for which the County is liable. The limit of payment by the program is \$25,000 for bodily injury per person, \$50,000 for bodily injury per accident, and \$25,000 for property damage per accident. The County shall pay into the program each year a charge established annually by the Risk Management Fund Board for covered county vehicles owned or leased by the County.

B. Physical Damage - This program covers vehicles (excluding mobile equipment) which are the property of the participating county. Property is valued at the full cost to repair or replace the property after deduction for depreciation. Loss amounts payable will be reduced by the deductible amount of \$500 per occurrence. The County agrees to pay into the program each year a service charge established annually by the Risk Management Fund Board for covered property.

FULTON COUNTY, ARKANSAS
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

NOTE 12: Risk Management (Continued)

General Liability Program - The program shall provide legal defense in civil rights suits against the county government of a participating county and pay judgments imposed on County officials and employees and the county government and county-formed boards and commissions. Coverage is limited to \$350,000 per case with an annual aggregate of \$350,000. The County agrees to pay into the program each year a rate established by the Risk Management Fund Board.

The County also participates in the Self-Insured Fidelity Bond Program administered by the Governmental Bonding Board. This program covers actual losses sustained by the participating entity through any fraudulent or dishonest act or acts committed by any of the officials or employees, acting alone or in collusion with others, during the bond period to an amount not exceeding the lesser of \$300,000 or the amount of the bond. Premiums for coverage are determined by the State Risk Manager and approved by the Board. These premiums are paid by the State Treasurer from funds withheld from the County Aid Fund. There is a \$2,500 deductible per occurrence.

NOTE 13: Arkansas Public Employees Retirement System

Plan Description

The County contributes to the Arkansas Public Employees Retirement System (APERS), a cost-sharing multiple-employer defined benefit pension plan. APERS, administered by a Board of Trustees, provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Benefit provisions are established by State law and can be amended only by the Arkansas General Assembly. The Arkansas Public Employees Retirement System issues a publicly available financial report that includes financial statements and required supplementary information for APERS. That report may be obtained by writing to Arkansas Public Employees Retirement System, 124 W. Capitol, Suite 400, Little Rock, Arkansas 72201, by calling 1-800-682-7377, or on their website www.apers.org.

Funding Policy

APERS has contributory and non-contributory plans. Contributory members are required by State law to contribute 5% of their salary. Beginning July 1, 2022, the contribution rates shall be increased in increments of .25% per fiscal year, not to exceed 7%. The contributory rate was increased to 5.5% as of July 1, 2023. Each participating employer is required by State law to contribute at a rate established by the Board of Trustees of the system based on the annual actuarial valuation. The County's contributions to the plan for the year ended June 30, 2023, (date of APERS Employer Allocation Report) were \$351,871.

Net Pension Liability

The requirements of Governmental Accounting Standards Board Statement no. 68, under the regulatory basis of accounting, are limited to disclosure of the County's share of the collective net pension liability. The County's proportionate share of the collective net pension liability at June 30, 2023, (actuarial valuation date and measurement date) was \$3,019,890.

NOTE 14: Corona Virus (COVID-19)

On March 11, 2020, the Governor of Arkansas issued Executive Order 20-03 declaring an emergency and ordered Arkansas Department of Health to take action to prevent the spread of coronavirus disease 2019 (COVID-19). In 2022, the County was awarded \$100,000 in federal aid from the Local Assistance and Tribal Consistency Fund, which was a part of the American Rescue Plan Act of 2021, and as of the report date, \$100,000 of this amount has been received. The extent of the impact of COVID-19 on financial statements for future reporting periods remains uncertain.
